

I am a former Pine City graduate and tennis player. I played doubles at the MN State competition 3 times. My partner, Laura (Wanous) Emter, and I won 4th place honors in 1981.

I played and coached under John Eberhart. Coach Eberhart and I started coaching together in the fall of 1987. Pine City Girls' tennis was still in its formative years. We started the first official JV teams and schedules. For 18 years I coached under Coach Eberhart and Coach Engelstad. I was fortunate enough to coach many Pine City Girl's teams and individuals at all levels including the MN State High School Competition.

I have been retired from coaching for several years. But I am very excited to find myself coaching at the JV level once again. I look forward to working with the girl athletes and Coach Unverzagt and am anticipating an exciting and fun season!
