

My name is Kristin Unverzagt and I am a former Dragon tennis player. I continued playing tennis as I did my undergraduate work at the College of St. Scholastica. I later earned my master's degree from Southwest Minnesota State University.

I began teaching in Pine City High School in 2013. Previous to that I had been teaching 7th and 8th graders at North Branch Middle School since 2001.

In my spare time, I enjoy spending time with my family, going for walks, swimming, and gardening.

The best part about teaching and coaching is seeing students set goals in the classroom and on the court and working hard to achieve them.

I look forward to a great Dragon tennis season!

Coaching Experiences:

- Assistant Girls' Coach in North Branch
 - Head Girls' Coach in North Branch
